We accept many different insurance plans. Not all insurance plans have the same coverage. **It is your responsibility as a patient to know what your plan covers.** While discussing your treatment plan with your provider, ask questions if you are not sure if a procedure is covered. Make sure you are aware of all procedures that are about to be rendered.

Some common procedures that vary among insurance plans are:

- X-rays White (resin) posterior (back) fillings Arestin / Sedative fillings

For any services that are rendered that include lab work (crown, bridge, nightguard, bleaching trays, etc.) ½ of co-payment will be do at the initiation of treatment and the remainder will be due upon delivery / completion of treatment. _____(Initials)

As a courtesy to you, our practice will be happy to submit your claims to your primary dental insurance. Please fill out the Patient Insurance form. Please present any new dental insurance cards so that we may update your records along with any changes to your residence or phone number(s).

We collect an ESTIMATED copay at time of service. All payments not received by the due date of a subsequent bill will be assessed a \$30 late fee. We utilize the assistance of a collection agency in pursuit of unpaid balances that we are unable to resolve equitably. Please be aware that if an agency is used, the cost of the agency services will be passed along to you, resulting in the inclusion of a 33% service fee. _____(Initials)
